

November 28th, 2026
Lancaster, PA

Dear Neighbors and Community Partners,

The very first Various Artists Festival is coming to Lancaster this fall - and on behalf of the production team and featured artists, I am inviting you to consider being a part of this extraordinary event as a sponsor and community partner.

On November 28th, this unprecedented event will feature a wide variety of local acts across multiple stages for an all-day experience at WestArt in Lancaster City. Local music, comedy, and visual artistry of all genres and tastes will be showcased and celebrated throughout the day - and we are excited to offer you the opportunity to support our dedicated team in their goal of producing an event that brings the eclectic work of Lancaster and Pennsylvania based artists to a broader audience.

Ultimately, we aspire to strengthen the relationships between local creatives and elevate our ever-growing community through this event. This ambitious mission will require the patronage and support of local businesses like yours in order to be fulfilled.

November 28th will be an unforgettable day in Lancaster City. Please consider joining us in our efforts to create something special for the community we love.

Sincerely,

Alex Hart

Creative Director
